

# The Ledges Nature Walk

Sponsored by the Cornwall Conservation Commission

Come see and learn about Cornwall's Limestone Ledges, a forested ridge of limestone cliffs of statewide significance! This unique natural community harbors a variety of rare and uncommon species.

Leading this informative excursion will be **Brett Engstrom, Consulting Botanist and Ecologist**, who recently surveyed the natural resources of Cornwall for locations of ecological significance.

If you are interested in learning more about this unique local ecosystem, please join us at the **Town Hall at 9:30am on Saturday, September 19<sup>th</sup>** for an overview of the walk, before carpooling to the site for the two-hour walk. (Rain date: September 20<sup>th</sup>, meeting at the Town Hall at 1:30pm).

*\*Participants are advised to wear long pants and hiking boots or sturdy shoes.\**

*Questions? Contact Brian Howlett at 462-3909.*
