

Approved on March 18, 2014

Town of Cornwall
Special Selectboard Meeting
Tuesday, January 28, 2014

Those Present: Abi Sessions, Ben Wood, Judy Watts, Sue Johnson

The meeting was called to order at 7 PM.

Abi Sessions/Ben Wood moved to approve the Town Meeting Warning as printed noting a change in the surplus amount in Article 3. The motion carried on voice vote.

The Selectboard's report for the town report was reviewed and after a few changes will be forwarded to the town clerk.

Judy Watts mentioned an email she received from Bruce Hiland suggesting that a letter be sent to all ACRPC Commissioners, the Addison Independent and VT Digger, pointing out various parts of the Regional Plan that do not agree with the ACRPC's position in regard to Phase II of the pipeline. Judy read the proposed letter, and the board members present agreed that the letter should be sent.

Ben Marks sent a letter to the Public Service Board requesting that VT Gas's petition be put on hold or denied until there is a FERC jurisdiction decision.

The postcard tally as of today was: 232 returned, 177 opposed, 47 in favor, and 8 miscellaneous.

The meeting adjourned at 7:35 PM.

Respectfully Submitted,

Susan Johnson,
Town Clerk
