

Cornwall Conservation Commission
Agenda for October 19, 2015
12:00-1:30 pm, Cornwall Town Hall

Designate Recording Secretary

Meet with Jens Hilke, Conservation Planning Biologist with VT Fish & Wildlife, to discuss ways to use information from the Ecological Inventory of the town's natural resources in updating zoning regulations, learning more about important wildlife corridors and riparian areas, supporting adequate buffer zones along waterways, and building support for protection and preservation efforts.

CC Activity Updates

1. Conservation Fund
2. Zoning Regulations
3. Water quality/increasing buffers along streams/wildlife corridors
4. Outreach program with the elementary school
5. Letters to landowners of significant sites
6. Subdivision applications
