

**NOTICE OF PUBLIC HEARING**  
**TOWN OF CORNWALL**  
**DEVELOPMENT REVIEW BOARD**

The Cornwall Development Review Board will hold a public hearing on Wednesday, July 1, 2020 at 7 pm.

**The hearing will be held by teleconference and NOT at the Town Hall.** An online meeting link and a dial in number will be published on the agenda for the meeting, so that Board members, the applicant, and interested members of the public may participate electronically or by telephone. The agenda will be posted at least 48 hours before the hearing at the Town Hall and the Town Garage, and on the Town's website.

Purpose of the hearing:

To hear a request by Richard Rheume for a conditional use permit for the property located at 5777 Route 30, Cornwall, Vermont, to permit the applicant to replace the old mobile home with a new mobile home, and to change the footprint. (In an earlier decision dated December 21, 2018, the Development Review Board approved a proposed Conditional Use involving a new mobile home different in size and configuration from the mobile home currently proposed.)

Electronic copies of this application are available to the public on the Town's website, [www.cornwallvt.com](http://www.cornwallvt.com). Unfortunately, due to the current COVID-19 pandemic, the application is not available for viewing at the Town Hall.

Persons wishing to be heard at this public hearing, or their representatives (a licensed Vermont Attorney or an authorized agent), may participate in the hearing by using the online meeting link or the dial in number. Please note that in accordance with Chapter 117, Section 4464, of the Vermont statutes, participation in this public hearing is a prerequisite to the right to make subsequent appeal.
