I noticed that, during the April 7 DRB meeting on the Schaefer Conditional Use Application, you asked the applicants where the business will be operated from. It's possible that the incorporation filing for Barn on the Flats LLC, filed on October 23rd 2020, might shed light on this question. I've included the link to the filing with the State of Vermont below. In the filing, the "Designated Office Business Address" is listed as 1683 West Street and the "Designated Office Mailing Address" is listed as 1776 West Street. The Annual Report for the business (2nd link), filed 1/20/2021, has the same information listed.
