

NOTIFICATION OF INTENT TO BUILD A FARM STRUCTURE
TOWN OF CORNWALL
2629 Vt Route 30
Cornwall, VT, 05753
802-462-2775

NOTE This form is for farm structures that qualify under state law for exemption from local zoning. State law requires that you notify the Town of intent to build and this form was designed to assist you in satisfying that requirement. Please submit a sketch indicating existing and proposed structures and distance to property lines and copies of any state setback exemptions for proper processing of this form. Please consult the back page to determine if your proposed structure is exempt from local zoning, or ask your Zoning Administrator for further information. There is no fee for filing this form.
